

Buckland Newton Youth Club

This is a new initiative run voluntarily by villagers for the young people of the village. It aims to provide a safe and stimulating environment for 11 to 16-year olds to meet, relax and have the opportunity to join in a variety of structured activities including music sessions, film nights, bake-offs and sport events. The club will also endeavour to foster strong links with all age groups within the village through organising special events for the community.

Cost variations	The Youth Club charges £2.50 per person each Tuesday. This covers the club's general day-to-day running costs. However, to ensure the club's finances stay in a healthy position and to be able to provide a wider range of activities to the young people at little or no cost, Buckland Newton Youth Club needs to raise approx. £1,000 a year.
