

Mrs Caroline Lloyd

I have been childminding for over 25 years and am a member of Pacey through which I am fully insured. I provide a safe, loving and warm environment. The wide range of activities I provide are stimulating and educational, enabling children to learn through play and develop to their full potential in every aspect. I plan and support each child's learning and development individually by following the Early Years Foundation Stage. We attend a music and movement group, local toddler group, get together with other childminders, and go on daily outings.
