

Prout Bridge Project

We are a charity that offers a range of activities for people of all ages with priority aimed at children and young people. Our youth club has sessions on 3 evenings a week offering activities for young people age 8 to 18. We can support children and young people in and out of school with our targeted youth support sessions run by qualified youth workers to help increase their emotional resilience. We can offer support to help them recognise and manage their emotions on issues such as self-esteem, social and peer relationships, understanding feelings & emotions and family relationships. Our community centre offers support to people of all ages, 0 to forever with our community Cafe Create, children's and adult dance sessions and more. We aim to fight social isolation and loneliness for all people in our community and will do our best to find the support they need.
