

Mrs Tracy Smith

I have been childminding for nearly 23 years in September. I provide a warm and friendly home to home atmosphere. I encourage lots of activities for the children that are in my care. This includes: messy art activities, cooking, colouring, going to the park, feeding the ducks, going to toddler groups. I encourage the children to feel happy and confident and stimulated in the setting.

Special Educational Needs and Disabilities Local Offer

Support for children and young people with SEN and disabilities	I have done SEND training and I am willing to do more training to involve SEND to help me in my setting and to help me provide the best for children with SEND. I am currently supporting a one year little boy with downs Syndrome, he comes to me twice a week. I offer at my setting lots of fun activities including painting, gluing, sticking, colouring, play-dough, puzzles, books, musical instruments, lots of sensory play on the turf tray, playing in the garden, going out for a walk feeding the ducks parks etc. At my setting I treat each and every child exactly the same no one is treated differently and all activities are equal for each child at my setting. I work very closely with the parents and I will work with other professionals to help and support the parents and the child. If the parents want to ask any questions or know any information then I am willing to provide this for them.
