

## Focus Nursery School

Focus Nursery School was inspected by Ofsted in February 2006, November 2008 and most recently in November 2013 with the quality and standards of the early years provision being judged to be providing OUTSTANDING Care and Education in all aspects. To view reports, please go to [www.ofsted.gov.uk](http://www.ofsted.gov.uk). Three consecutive 'Outstanding' inspections in a row - we are extremely proud to maintain this standard - what an achievement! We are housed in our own building with a bright, warm, homely and safe atmosphere. We provide opportunities for children to engage in activities, explore, experiment and make decisions for themselves. We provide a secure, stimulating and structured environment where each child's development is nurtured by very well-qualified, widely experienced and cheerful staff.
