Special Educational Needs and Disabilities Local Offer

| | |
|--|--|
| Support for children and young people with SEN and disabilities | Ducklings Pre-school aims to make reasonable adjustments to ensure our setting is fully inclusive for all and have a ramp to access the playroom and an accessible toilet. The setting will wherever possible resource and access equipment and resources to ensure that all children have a full and enriched learning experience at the setting. The SenCo/Manager and key person alongside other professionals will oversee any plans put in place to support children with SEND which will be reviewed at regular intervals and ensure the child's progress is recorded accurately. The SenCo and key person will work with parent/carers to explain what is happening. The setting follows all Policies and Codes of practice as required. All staff are first aid trained and can gain further training to support a child with Special educational Needs and Disabilities. The Manager has attended training in implementing the Disability Discrimination Act, sign along part 1 and 2 and Autism Training. All staff adheres to the Medical Policy. They attend SenCo network meetings and the annual Early Years Inclusion Conference. Before a child starts at the setting they are invited in to become familiar with their new surroundings. When the child is due to make the transition from our setting to another the team ensure all documentation is forwarded, liaise with the new setting and go with the child to ensure the child is reassured and well prepared. |
