

## Wool Youth Club

Bouncy Castles, BBQs, sports events, Quizzes and trips out are just a few of the activities at Wool Youth Club. We are a friendly, generic youth club provision offering a safe and fun place to be where young people can socialise and learn at their own pace. The club is run by experienced and qualified youth workers and provides a range of activities and opportunities for young people's development. Young people take an active role in the running of the club and often implement their own programme of events. We work in partnership with many other agencies and offer support around many issues effecting young people. If you or your friends want to organise an event or a trip come and see us on a club night.
