

The Gypsy And Traveller Liaison Service Dorset Council

The Gypsy and Traveller Liaison Service operated by Dorset Council helps local councils, the police, local landowners and the Gypsy and Traveller community in this partnership working. The service we offer includes: liaising with Travellers and landowners, acting as a go-between, providing advice and support to landowners and the settled community, acting as a first point of contact for Travellers for health, welfare, housing and education issues, working in partnership to provide permanent and transit pitches on the county's gypsy site.
