

The Reading Doctor Dorchester

The Reading Doctor offers bespoke private tutoring for dyslexic children and children with other learning difficulties such as ASC and ADHD. Reading Doctor tutoring puts the child's learning needs at the centre. The Reading Doctor, your private reading tutor, starts with an initial assessment. We encourage parents to stay for this, to gain insight into reading strengths and weaknesses. Your private reading tutor will also give you a flavour of what The Reading Doctor is about. After this, The Reading Doctor will give you feedback and make recommendations for further private reading lessons and a bespoke program and plan for your child. The Reading Doctor works with children of all ages. Whether your child is in Year 1, Year 2 or is older, in Key Stage 2 or beyond, we can come up with a bespoke plan with age-appropriate resources.
