

Mrs Paula Clarke

I provide a warm caring homely environment for children to learn and have fun in. I provide many stimulating activities for the children and I encourage creative / messy play and lots of cooking and musical activities. We have a dedicated playroom and endless range of resources and toys. I have a large fully equipped garden with permanent gazebo to enable all year round outside play and countryside and animals nearby. I work in partnership with parents to provide the best possible care and education for their child.

Support for children and young people with SEN and disabilities	My aim and passion is to support all children with whatever needs they may have and for all our children to be confident, emotionally secure, sociable, happy, and resilient, be willing to try new things and take risks, be caring and develop a love for learning.
