

Music And Drama Group - Shaftesbury Arts Centre

Music and drama (MAD) are among the centre's principal year-round activities involving people of all ages and abilities, professional and amateur. Productions are organised mainly through the Music and Drama Group which stages a core of four shows a year, from a regular winter pantomime in January, a spring play, a summer show and an autumn play. A Christmas music event is staged in most years. The Music and Drama Group is always looking to encourage new members to perform or help backstage. The Music and Drama Group also run social evenings giving people a chance to get together, meet the group and have some fun.
