

## Ms Lucy Dunlop

My name is Lucy and have set up a family childminding business called Little Jemms in a conversion on the side of our Home. I have 4 children of my own ranging from 16 down to 5 so I have quite a few years of experience in childcare. I also have a family dog who is very friendly and has been brought up with babies and children. He will be in a separate room when the children are around in case any children are afraid/ nervous around dogs. There is lots of space and activities for the children to enjoy including a separate outside play area too. All children are welcome in my care will be given a warm, secure and stimulating environment where they can feel, relaxed, happy and confident. There is a local shop and a play park within walking distance.
