

## Break Charity

Break's core business is the provision of children's homes, where they have seven mainstream children's homes across Norfolk and Cambridgeshire. In addition to the mainstream homes, Break has a children's home for young people with profound learning and physical disabilities and two short-break schemes for children with disabilities. Break provides long lasting care and support for the children and young people who need us. For as long as they need us. We build relationships with every child we work with to uncover how best to meet their needs now and in the future. Our expertise and success gives us the confidence to be bold and creative.
