I provide a warm and secure environment, plenty of creative activities including visits to local parks and National Trust properties. I also support Home Learning projects from each school. I am an enabled childminder able to support EYFS and beyond. We all enjoy walking, chatting and making friends.

## Special Educational Needs and Disabilities Local Offer

<b>Support for children and young people with SEN and disabilities</b>	I have worked for many years to support all children in my local area, some with complex needs, ASC, Speech and Language issues of many kinds, and 2 to 5 year old development working with Early Intervention teams and other agencies around parents and their children. I can work through the day in caring for a child needing 1-1 as a lot of my childminding is before and after school care and term time. I have flexible working hours and I am well motivated to create individual service within service. I have a more complex Local Offer that answers many, if not all of the FAQs; please do email me for a copy, even if you are looking on isaacspaula82@gmail.com. I encourage the idea of meeting up and visiting my setting then we can discuss all circumstances and routines so that I can leave you with a clearly defined plan of what I can offer you and your child in my home. You can then take this away and decide if my setting is for you. I have worked from the child's home before to build a relationship, many things are possible.
