

## Butterflies Children's Disability Fund

Butterflies is a local charity who help to support children (up to the age of 18) who are disabled and who live in West Dorset and/or use the support of the DCHFT Children's Centre in Dorchester. We have funds available to provide families with: specialised equipment, child development aids, training courses and seminars. The children we help have a wide range of disabilities, we have helped many children and young people by funding items such as specialised tricycles, beds, mattresses, weighted blankets, buggies, car seats, harnesses and a range of leisure equipment. We have also helped to provide specialised communication aids and sensory toys. Please contact us if you have, or know of someone who has, a need that cannot be met by local authorities, application forms can also be found online. Following receipt of an application form, we will assess if and how we can help and allocate funds appropriately.
