

Jude Court Foyer - Step By Step

Step by Step passionately believes in supporting local young people who are going through hard times. We provide accommodation, specialist support, and personal development opportunities that identify and fulfil aspirations. Working alongside young people in this way empowers them to become thriving members of the community. Jude Court Foyer in Shaftesbury is shared accommodation where young people have their own room and will share living space with other young people who are also going through hard times. Young people share a living space and kitchen, and will be expected to take turns in cooking with other young people staying in the Foyer. Each young person also has a STEP Worker who is there to help identify aims, and help make plans to achieve those aims.
